REPORT OF CHANNEL 12

In 1941, fourteen bright-eyed little boys and girls began school here in Minooka. This was the first year of the four-year high school in Minooka, and we can remember the building of the vocational departments in the basement where we had played on bad days. We started out with Miss Wilson, (Mrs. Meade) as our teacher, and Harvey Brown, Roger Dollinger, George Duvall, Roger Hanson, Marilyn Heitmann, Ann Johnston, Diane Leitzell, Donald Schultz, Barbara Sharp, Carol Todd, Martin Wilfong, Lois Williamson, Laquita Elder, Mariagnes Troutman in our class. Of these, we still lay claim to Roger Dollinger, George Duvall, and Marilyn Heitmann. By fourth grade so many had moved away that we had only four: Roger Dollinger, Marilyn Heitmann, and two new boys, Donald Jennings and Roy Carlson.

In fifth grade we gained many new members who came to us from the country schools which had been consolidated to Minooka that year. Those who joined us that year were: Ann Knudson, Dale Williamson, LaVerne Hiller, George Duvall, Carol Todd, Rita Martin and Gene Ness.

We graduated from eighth grade with a class of seventeen. This class included: Ann Knudson, Barbara Montgomery, Marilyn Heitmann, Carol Todd, Rita Martin, Dale Williamson, Jack Kurtz, Mary Ellen Lee, Severn Dorre, Roger Dollinger, Edward Norton, Donald Jennings, LaVerne Hiller, Eugene Ervin, Roy Carlson, George Duvall, and Paul Greenwood.

When we stepped into the hallowed halls of M. C. H. S., our ranks were enlarged by Arlene Necker, Harvey Schmidt, Lorene Unland, Barbara McMillin, Richard Montgomery, Clinton Hulbert, Doris Locher, Sam Konjevich, Joseph Van Cleave, Charles Sing, Herbert Davis, Mary Lawson, and George McCoy. During our Freshie year Alice Leslie, Audrey Lewis, and Eugene Daughhetee joined our ranks.

In our Sophomore year, we gained Norma Erickson and lost Mary Lee, Eugene Daughhetee, Paul Greenwood, and Alice Leslie. Our ranks were really depleted in the Junior year when we gained James Riggs and lost him and also lost Carol Todd, Barbara McMillin, Lorene Unland, Edward Norton, Ben Van Cleave, and Donald Jennings. This was the year, though, that we gained Dixie Campbell.

In the summer between Junior and Senior years, we lost Audrey Lewis. Paul Greenwood came back to us during this year, and we were sorry to learn that fall that our friend, Mary Lee, died after a siege of polio. And now, we are graduating from high school. It seems like only yesterday that we walked into the hallowed halls as a group of wide-eyed, green Freshies.

1. Swede. 2. Sev. 3. Barb. 4. Arlene. 5. Norm. 6. Clint. 7. Gene. 8. Ann. 9. Herb. 10. Doris. 11. Charlie. 12. Dixie. 13. Coy. 14. Harv. 15. George. 16. Willie. 17. Paul. 18. Mare. 19. Duck. 20. Jack. 21. Dick. 22. Mary.

Our four years have been very eventful and exciting. The friends, the games, the parties all contributed to make our years at school memorable ones.

Our first two years were fairly routine except for the fact that we could sit and watch the new high school under construction during our Sophomore year.

All our watching was rewarded when we moved into the new building in our Junior year. It was an exciting beginning for an extraordinary year. This was the year we worked for our prom. It was made more interesting because of the purchase of the new popcorn machine, because of the new gym in which to sell our popcorn, candy, and pop and because we had a conference tournament which made our class much richer. This was the year of our first play, and the first play on the new stage. All of these things were minor compared to the main event of the year — our Junior-Senior Banquet and Promenade. This brought another first: the first prom in the gym.

Let us remember the fun we had on our Senior Skip Day. Our Senior year was climaxed by the graduation exercises which meant we were leaving M. C. H. S. and stepping forth into the unknown future and the secrets which it will reveal to us.

Good luck, Minooka High! We'll be thinking of everyone there in the years to come.

CHANNEL 12 BACKSTAGE DIARY

June 1, 1973

DEAR DIARY:

I decided the other day to find out what had happened to all of the old gang so today I flew into Chicago. I immediately called on my old friend *Barbara Montgomery* who is the star of TV's Home Economics show, "The Food's the Thing." In private life, Barb is Mrs. Dale Williamson and Mommie to five bright-eyed youngsters. *Dale Williamson* seems to be doing quite well as the leader of "Willy's Moon Music Boys" on a weekly TV show. I asked whether there was anyone else in Chicago that I could contact, and Dale told me that *Herb Davis* is currently co-starred in the stage show at the Woods Theater with his wife, who accompanies him. She isn't one of the old gang but is quite nice, so they say. I, then, remembered that Herb had been quite the crooner and has thousands of teen-agers at his heels wherever he goes. He told me, when I called him, that *Roy Carlson* is a very successful pilot of a jet racer and has just won an international race in France and would be back in Chicago in a few hours. Roy, I hear, is still a bachelor, though he has been seen with several young ladies recently.

We all went to see Dale's program tonight and who do you suppose is his featured singer? Why, *Dixie Campbell!* She seemed quite pleased when I asked her if she was in contact with any of the rest of the gang and mentioned *Gene Ervin* who is currently at Rockefeller Center with a world premier of his latest movie for Supreme Pictures. I found out why she was pleased; they are engaged and are planning a simple wedding in August.

We decided, that night, that it would be fun to have a reunion on the eighth. We each decided to notify someone else. As we pooled our information some of the facts became very important to the reunion. For instance, *La Verne Hiller's* "Hotel Ritz" in Minooka would be an ideal spot to hold the reunion and *Norma Erickson's* Beauty Palace Salon in the hotel would be an ideal place for us girls to get all prettied up. La Verne seemed quite excited and said that his wife, our old friend *Doris Locher,* would certainly have the place ready for us when we came in on the seventh. Norma told us to call her husband, *George Duvall,* at the stockyards and he would come right down. We did, and we soon learned that he was a stock buyer for Swift & Co.

We all called our friends, and we will know what has happened to them next week. I called my husband, *Clinton Hulbert,* who is managing editor of Life Magazine, and he said he'd bring a photographer and give us a spread if I would write the story. As if I didn't have enough to do, writing a daily column for the News Syndicate, but I agreed. And so to sleep!

June 7, 1973

I arrived in Minooka bright and early this morning and noticed how the town has grown. There is a monstrous factory north of Minooka with a sign, Kurtz Aircraft, Inc., and I wondered if it were *Jack Kurtz.* Just as I drove past the gate a limousine roared out with Jack at the wheel. I met him several minutes later, in the lounge of the Hotel Ritz. He was talking very rapidly with *George McCoy.* I waved and they came over and explained that it was Jack's factory and that George owned the lion's share of Lipps 99. He said the girls were all upstairs.

When I got there I found *Ann Knudson, Mary Lawson,* Barbara Montgomery Williamson and Doris Locher Hiller. I soon found out that I must add McCoy to Ann's name and Montgomery to Mary's. Ann was very busy being a wife and mother, she told me, and had left the two children at their grandmother's. Mary and *Dick Montgomery* are busy following professions. Mary is the head of the WAC's, and Dick is a major in the Marines.

When we came down for dinner, we found added to our list: *Severn Dorre,* now head of the Democratic Party, Professor *Roger Dollinger* of the University of Illinois, a historian who has written several text books, and *Paul Greenwood,* the pilot of the first rocket to the moon, who is now preparing to take off for Mars soon. Paul has just flown in with Roy Carlson last night. Now everyone is here but *Arlene Necker, Harvey Schmidt,* and *Charlie Sing* and no one will tell me anything about them.

When I went down for breakfast this morning Arlene and Harvey were here. They are Mr. and Mrs. now, and have their own careers. Arlene is the manager of Walgreen's in the Pentagon Building, and Harvey took over the F. B. I. when J. Edgar Hoover resigned.

Charlie Sing arrived shortly before lunch in *one* of his Padillac cars. They say he has six, one for every girl friend. He has quite a little property around here and in Kansas and is, at present, feeding three thousand cattle for market and show.

We had a huge dinner and sat about talking for hours while Dale's band played. Nearly every married couple has at least two children and all of the bachelors are on the "ragged edge" of matrimony. We girls will win out in the end!

It was a wonderful week-end, and we all took off for our various homes happy, and full of memories and promises to meet again next year. Now to write the story for the magazine. I think I will call it . . . The Minooka '53's Meet Again.

Good night,

MARILYN HEITMANN

REPORT OF CHANNEL 11

We, the "Jolly Juniors," started high school in 1950 with twenty-nine members. We decreased and increased our members until we were twenty-one strong.

Shortly after school was in full swing, we elected class officers and Student Council members. Our officers were: Beverly Orlomoski, president; Eugene Winterbottom, vice-president; George Winkel, secretary; Martha Moore, treasurer; Suzanne Montgomery and James Bretsch, Student Council members. Miss Holt was our class adviser.

Richard Severson, Eugene Winterbottom, James Bretsch, and Wesley Cook were on the basketball team. Jean Rushton was in the band. The girls were well represented in Girls' Glee Club and all enrolled in F. H. A.

On November 14, 1952, we gave our class play. The name of it was "We Shook the Family Tree." The main characters were: James Bretsch as Freddie Shermer and Suzanne Montgomery as Hildegarde. The play was about a young girl, Hildegarde, who wanted a date for the prom and also to be popular. The fun and worry she caused her parents, family, and friends trying to accomplish this, was the theme. Her mother, trying to be helpful, got her a date with Freddie, who was a perfectly nice boy except for the fact that he wore knickers. As a result, Hildegarde had a time trying to get Freddie a pair of long pants.

Two of the most exciting things that happened to us this year were the ordering of our class rings on December 15, 1952, and the presentation of the Junior-Senior Promenade on May 9, 1953.

REPORT OF CHANNEL 10

We began our Freshman year with twenty-nine members in the class. We lost Shirley Rarick and Charles Keagle before school resumed in the fall of 1952. At the beginning of the year, we gained Shirley Loerch and Gerald Kittleson. During the year, we lost Dorothy Willis, Shirley Loerch, and Gerald Kittleson.

We were very proud to have Gordon Murley and Henry Sing on the Varsity Basketball Squad. Joseph Guglielmetti, Earl Shearer, and Edward Stegman were on the Junior Varsity Basketball Squad. Most of the boys were active in sports.

With the assistance of our class adviser, Mr. Sampson, we elected our class officers who were: Gordon Murley, president; Patsy Torkelson, vice-president; Gerald Emmert, secretary; Paul McMillin, treasurer. Student Council members that were elected were Edward Stegman and Lois Jennings. Lois took Gerald Kittleson's place after he left.

Our class sponsored the Christmas party. It was held after a basketball game. Most of the students participated and seemed to enjoy themselves.

We had five members in the advanced band: Joanne Coop, Darlene Enger, Henry Sing, Earl Shearer, and Edward Stegman. All of the girls were members of the Future Homemakers of America, and five boys belong to the Future Farmers of America. Many of the pupils belonged to the chorus. We hope we are as successful in the next two years.

REPORT OF CHANNEL 9

In 1944, the class of 1956 started first grade with five members. We lost a few and gained a lot and when we graduated from eighth grade, we had twenty-two members in our class.

When we started our high-school career, we gained fourteen more members from other schools. We were sorry to lose one member, Maureen Pershey, but during the year we gained two new members, Barbara Guenette and Dixie Fidler. This left us with a total of thirty-eight members.

Several of our boys are on the Junior Varsity basketball team, and Gerald Feeney and LeRoy Vaksdal are the managers.

All the Freshman girls are members of the Future Homemakers of America, and fourteen of the boys belong to the Future Farmers of America.

With the help of Mr. Hentze, our class adviiser, we elected class officers and Student Council representatives. The class officers are: James Hancock, president; LeRoy Vaksdal, vice-president; Jane Brewster, secretary; Karen Sandstrom, treasurer. The Student Council representatives are Joan Feeney and Bob Turner.

We are very proud to have ten of our members in the Advanced Band. They are: Joan Feeney, Marilyn Stafford, LeRoy Vaksdal, James Hancock, Joanne Cowdrick, Robert Turner, Gary Hadaway, Jack Severson, Theodore Wendell, and David Perona. Also, all of the Freshman girls are in the Girls' Glee Club.

In April, the Freshman class sponsored their first all-school party. Everyone enjoyed himself very much.

NETWORK ENGINEERS

We take great pride in publishing this book. During the year, we sponsored many money-making projects to help publish the annual at the lowest possible price so that all of the students might obtain one. The projects were as follows: Selling magazine subscriptions, selling turkey raffle tickets, selling ads, sponsoring skating parties, and sponsoring a luncheon.

Our yearbook has two big purposes. These are, to show the advances made in our educational program; and to furnish a form of entertainment for alumni and students of the Minooka Schools in recalling pleasant experiences of school days gone by.

The members of the staff would like to thank all of the student body and faculty members for their co-operation in the publication of this yearbook. It has been wonderful working together.

MEET THE PRESS

The *Peace Pipe Chatter* is published by the Office Practice Class once each month. The paper includes, between its covers, such interesting items as class news, sports news, activities news, grade school news, jokes, chatter, honor roll, and perfect attendance lists.

A free copy is given to each student in Minooka Community Schools. The *Peace Pipe Chatter* is exchanged with other nearby schools and is sent to several individual subscribers and boys in the armed forces as well.

The members of the staff take turns writing the different pages of the paper, and choosing suitable pictures and jokes for their page.

We have spent many enjoyable hours trying to improve the *Peace Pipe Chatter*. This concludes the twelfth consecutive year of publication for the school newspaper.

KOOKING KATES

The Minooka Chapter of the F. H. A. is a chapter unit of the Illinois Association of the F. H. A. which, in turn, is chartered by the national organization of the Future Homemakers of America. The F. H. A. membership is open to any girl in high school who has been enrolled in a home economics training course for one semester. The officers for the past year were: Barbara Montgomery, president; Norma Erickson, vice-president; Lucille Larson, secretary; Jean Rushton, treasurer; Ann Knudson, Publicity Book chairman; Mary Lawson, Degree's chairman; Lois Jennings, Welfare and Service; Suzanne Montgomery, financial chairman; Arlene Necker, song leader; Sophie Konjevich, reporter; Mrs. Clarence Knudson, chapter mother; Marilyn Heitmann, parliamentarian; and Mrs. Janice Sampson, adviser.

Two meetings a month were held, one for business and one for a social time. A highlight was the Christmas Party held in the Home Economics Room where we played games and had a gift exchange.

The informal initiation of the Freshmen was held in October. To show that they were interested in the organization, the girls wore their shirts inside out and upside down, a tennis shoe with a nylon, a regular shoe with a bobby sock, 14 pony tails, blouses inside out and backwards, men's gloves, and carried lunch pails.

In order to carry on our activities, we must have some money-making projects. Our projects included: Milk sales, checking coats at basketball games, selling hot sandwiches, and a bake sale.

Each year we have a Mother-Daughter Banquet in the spring and the mothers of all of the girls in the club are invited. The women mem-

bers of the school faculty are also invited. The girls earn the money for this banquet. At this time, the regular president presides.

In January, we held our formal initiation at which all Freshmen and new members were honored. This was a candle-lighting ceremony sponsored by the officers. The new members were initiated into the club by reciting from memory the creed, constitution, and the purposes.

During the year, the F. H. A. had numerous activities which included Daddy Date Night — a night when we honored our fathers by entertaining them. In honor of U. N. day, Marilyn Heitmann gave a talk on the United Nations. In May, the incoming Freshman girls were honored with a buffet luncheon and a small program to try to interest them in F. H. A. We sent packages to the boys in Korea for Christmas.

Outside our regular F. H. A. meetings, the girls also attended activities connected with the section, district, and state. This year our Chapter girls who attended the Leadership Rally in Oswego were Section President Barbara Montgomery, Marilyn Heitmann, Lucille Larson, Jean Rushton, and Sophie Konjevich. Mrs. Clarence Knudson, our chapter mother, Mrs. Dale Hoge, and Mrs. Sampson accompanied the girls. At this rally, Mrs. Hoge was elected section mother.

Our chapter president, Barbara Montgomery, presided over the Spring Rally in Streator as section president.

In March of this year, the officers were elected for the coming 1953-1954 school year. The new officers were installed at the Mother-Daughter Banquet held in April.

The eight purposes of our organization are:

1. To promote a growing appreciation of joys and satisfaction of homemaking.
2. To emphasize the importance of worthy home membership.
3. To encourage democracy in home and community life.
4. To work for good homes and family life for all.
5. To promote international good will.
6. To foster the development of creative leadership in home and community life.
7. To further interest in Home Economics.
8. To provide wholesome individual and group recreation.

KORN KIDS OF THE KOUNTRY

On June 3-5, 1952, the Illinois F. F. A. convention was held at Urbana. Eugene Winterbottom, Henry Sing, Dale Williamson, Art Coop, Charles Sing, and Robert Rushton attended the convention. Dale Williamson and Charles Sing were the delegates representing the Minooka chapter. At the convention Charles Sing was presented with the State Farmer degree. Bob Rushton sang in the State Chorus and Henry Sing played in the State Band. Charles also received the Section 8 award for beef production, and Bob received the Section 8 award for soy beans.

The chapter took an exhibit to the convention. The exhibits were judged, and Minooka received third place. The exhibit entitled F. F. A. in Action, featured activities and projects of our local chapter and Section 8. The bottom part of the exhibit was devoted to a sand box model of a farm using conservation practices.

The F. F. A. Sectional Fair was held on August 4, at Ottawa. A number of the members attended and received many ribbons.

The officers for the new year attended the Annual Officers' Training Camp on September 10, at Marseilles. Charles Sing was elected sectional reporter at one of the meetings.

On October 5, the Minooka Chapter held a Tractor Rodeo. The winners of the contest were: Wayne Blair, first place, and Earl Bradford, second place, in the open class. Dale Williamson, first place, and Charles Sing, second place, in the F. F. A. class.

The Annual Sectional Grain Show was held at Yorkville on November 8. Charles Sing, Robert Rushton, and Pat Conroy attended the show.

The Chapter gave an all-school party in November. Mr. Whiteside from Joliet directed the square, folk, and round dancing at the party.

Mr. Edwin Williamson, Mr. Harvey Vaksdal, and Mr. Wilken drove thirteen boys to the International Livestock Show in Chicago on December 6.

The F. F. A. sponsored a Pest Control Drive from December 1, 1952, to January 31, 1953. Winners in the contest were: Bill Perona, first

place, received an F. F. A. shirt; Paul McMillin, second place, received a box of candy; Keith Knudson, third place, received a T shirt.

The Annual Parent and Son Banquet was held April 15. Entertainment was provided by a quartet from Joliet. Mr. Randles, Kendall County Farm Adviser, gave a short talk, and colored slides of student projects were shown by Mr. Wilken.

The Home Economics Department prepared and served the banquet for us again this year. The Chapter had a chance to repay them by serving the Mother and Daughter Banquet.

The annual garden seed sale campaign was dropped this year. We sold subscriptions to the *Farm Quarterly* and had a steak fry with the proceeds.

Officers for the 1952-1953 year were: Charles Sing, president; George Duvall, vice-president; Dale Williamson, secretary; Eugene Winterbottom, reporter; Richard Severson, treasurer; and Dick Montgomery, watch dog.

SWING AND SWAY WITH MICHAEL KAY

The music department in our school has just completed its fourth year of activity. This year was a very busy one for those participating in the active musical organizations in the school. The High School Girls' Glee Club consisting of thirty-eight members, the Girls' Ensemble, the Training Band consisting of seventeen members, and the Concert Band consisting of forty members were the active musical organizations in the school this year. The High School Boys' Glee Club was discontinued because of lack of interest.

The Girls' Glee Club assisted the grade school students very nicely in their presentation of their Christmas program, a musical play based on the nativity story entitled, "The Christmas Miracle."

The Glee Club, vocal and instrumental soloists, ensembles, and the bands gave their annual winter and spring concerts. They were called upon to participate and provide music for many other programs throughout the school year. The band was on hand at all of the home basketball games which added greatly to the color of the sport's spectacle. Many members of the glee club and band participated as soloists and in ensembles at the grade and high school music contests this year with very good results.

The Girls' Glee Club officers were as follows:

THE JUNIOR SWING

In the early autumn, many of the boys and girls of grade four were told that they could join the band if they had a "B" average. This was happy news for them since it had been a dream since first grade to be in the band.

The band was organized early in the year with sixteen members. In October, the group gained three members to make the total nineteen. At semester time seven members were advanced to the Concert Band. The lucky people were: Kay Holbrook, Sharon Winkler, Barbara Binkele, Vada Knudson, Barbara Heap, Carol Link, and Darlene Anderson.

The members of the band were: Barbara Heap, oboe; Barbara Binkele, flute; Kay Holbrook, saxophone; Darlene Anderson, saxophone; Larry Hinchliffe, Edward Brown, cornets; James Hadaway, baritone; Vada Knudson, bass clarinet; Joseph Coyne, Carla Shearer, Richard Dirst, Nancy Cowdrick, Warren Gallinger, Carol Link, Karen Brown, clarinets; Jacqueline Hancock, bell lyra; Mary Butler, John Santorineos, Sharon Winkler, drums.

NETWORK ENGINEERS

The Minooka Community High School had a Student Council of eight members who were elected at the beginning of the school year to represent the student body. Their aim was to promote a feeling of satisfaction among the students in helping them uphold self-government in the school. The representatives were: Marilyn Heitmann and Ann Knudson, Senior Class; Suzanne Montgomery and James Bretsch, Junior Class; Lois Jennings and Mike Stegman, Sophomore Class; Joan Feeney and Bob Turner, Freshman Class. The officers for this year were: Ann Knudson, president; Jim Bretsch, vice-president; Marilyn Heitmann, secretary.

This group met with Mr. Siron, our superintendent, to discuss various problems that affected the school and the students. Some of the problems discussed by the Student Council were the crowds in hall, to stop gum chewing, and to put an end to writing on desks.

The Student Council sponsored assembly programs during the regular school year.

WAYNE THOMPSON MEMORIAL TROPHY

"Congratulations," Richie Severson for your record of 72.31 per cent of your free throws for the 1952-1953 season. Last year's winner Jim Bretsch presented the Wayne Thompson Memorial Trophy to Richie. This is the eighth year that this trophy has been awarded.

FIRST ROW (left to right): George Duvall, Richard Severson, Gordon Murley, Wesley Cook, Charles Sing, Dale Williamson, Henry Sing, Mr. Dorick.

SECOND ROW: Paul McMillin, John Severson, Robert Smith, Edward Stegman, Joseph Guglielmetti, Eugene Winterbottom, James Bretsch, Earl Shearer LeRoy Vaksdal, Keith Knudson, Gerald Feeney.

THIRD ROW: Ted Wendell, Harold Breen, John McKanna, John Duvall, David Perona, Robert Turner, James Hancock, Gary Hadaway, Joseph Breen, Loran Good.

BASKETBALL

The 1952-53 basketball season opened with the return of four lettermen from last season: George Duvall, Charlie Sing, Richie Severson, and Dale Williamson. The other players that helped make the season a success were Gordon Murley, Henry Sing, and Eugene Winterbottom.

Participating in a schedule that was loaded with outstanding basketball teams in this area, the Indians came through the season with an excellent record of eighteen wins, against nine defeats.

The Indians started off with a "bang" by defeating Serena, and we lost to a strong Blue Island team and an inspired Braidwood team. Then we got back on the winning trail by defeating Oswego.

We entered the Grant Park Holiday Tournament for the first time, and defeated an unbeaten Beecher team in the semi-finals. We then went on to beat East Lynn for the championship—a "first" for a Minooka team.

The team went into the Conference Tournament as underdogs and came out with the championship in one of the most exciting tournament games ever played. None of the fans will forget the championship game when an injury-ridden Minooka team—inspired and determined—went on to victory.

The last half of the season found the Minooka Indians really rolling along. They beat every team that had beaten them earlier except Yorkville.

Going into the District, which is considered one of the strongest in the state, the Minooka Indians won the first game; but lost to a "red hot" Leland team to end a very successful season.

The Wayne Thompson Memorial Free Throw Trophy was won by Richie Severson with a 72.31 per cent average. The runner up was George Duvall with an average of 62.0 per cent.

The Fox is at Minooka to stay for a while because the Indians took possession in winning their last conference game with Orland Park. It will remain with Minooka until the Indians are defeated again in the conference next winter.

The seniors on the team were: George Duvall, Charlie Sing, and Dale Williamson. Throughout the season these fellows showed the finest spirit and sportsmanship and will be hard to replace when basketball resumes next November.

To the seniors we wish lots of success in the future.

HOPE RETURNS TO P.M. RADIO

THE AFTER-DARK Radi
might well have
invented the toothbrush—has snared himself a sponsor. You see, Jones is an improvident small-town inventor in the Monday-thru-Friday afternoon serial drama of the same name at 4:30. And his new 1953 angel is Colgate-Palmolive-Peet who'll advertise their Colgate Ribbon Dental Cream from time to time.

Though Lorenzo (Karl Swenson) gets top billing in this radio stanza, his wife, Belle Jones (played by Chicago-born Lucille Wall) seems to be the favorite of lady listeners. And why not? Poor Belle must eke out their precarious existence—all through 1953!

But who knows? Maybe Lorenzo

Some of the players that took part were: Jim Bretsch played second base, George Duvall was the catcher, Wes Cook played shortstop, Richie Severson pitched, Gordon Murley held down third base, and Henry Sing covered first base. The outfielders were: Dale Williamson, Eugene Winterbottom, Eugene Erwin, Mike Stegman, Earl Shearer, and Jerry Emmert. REPORT OF CHANNELS 7 AND 8

The seventh and eighth grades started out the school year with forty pupils. One new pupil was added to this year's rolls in the person of Barbara Binkele who came from Peoria.

"In numbers there is strength," it is said. The pupils of the seventh and eighth grades went all out to prove that statement. In both the magazine drive and Turkey Raffle sales, these people did a commendable job. Individual winners in the magazine drive were Leonard Peterson for grade eight, and Virginia Wallin in grade seven. Turkey Raffle winners were Virginia Wallin of grade seven while Joyce Greenbeck led grade eight.

Extra-curricular activities participated in by the upper grades were in the form of Citizenship Club, Student Council, Safety Patrol, and various charity drives such as March of Dimes, American Red Cross, Tuberculosis Campaign, to list a few.

The Christmas Pageant, "The Christmas Miracle," was an all-school production. Speaking parts handled by the members of grades seven and eight included Andrew Anderson, Mike Bedford, Charlie Brown, Elizabeth Contracieri, Alden Erickson, Donald McHugh, Tom Murley, John Stegman, and Judy Walker. All those not having speaking parts served in some other capacity.

Free time such as recesses and the noon period were spent in playing various games. Ping pong and dancing prevailed during inclement weather and much time was devoted to shooting baskets and playing baseball when the weather was favorable. Seventh and eighth graders who represented the school on this year's basketball team were: Mike Bedford, Charlie Brown, Ken Butler, Alden Erickson, Donald McHugh, Tom Murley, Tom Parris, Leonard Peterson, John Stegman, Larry Todd, and James Winkler.

As we revel in glories of the past, let us for a moment pause to consider, that everything comes to those who *try*. May this thought inspire you to greater heights in the future.

REPORT OF CHANNELS 5 AND 6

Curiosity was probably the best word to describe the look on most of our faces, when we assembled twenty-nine strong on September 3, 1952, in the fifth and sixth grade room. We were curious about several things, the new pupils, the new text books, the things our friends had done during the summer holiday, and last, but not least, our new teacher.

As time went on, our curiosity was pretty well satisfied in all these matters; and when the room celebrated its first birthday party, October 17, routine was fairly well established. October brought other activities, too. Our Citizenship Club was organized with Barbara Heap as president; Kay Holbrook as vice-president; Mary Lundstrom as secretary; and Sharon Avery as treasurer. We did our share in helping with the Carnival, having charge of the Jewelry Booth and the Sweet and Treat Booth, too. Of course, the Halloween Party which came the last Friday of the month must not be forgotten. Everybody disguised himself in some way so we were practically all strangers, and no one would utter a word. It wasn't until the prizes were given that their true identity was revealed. Elizabeth Singer, Anita Santorineos, and Dick Feeney carried away the prizes. Mr. Dorick thoughtfully took movies of all the rooms after the children were seated. Several weeks later he showed them to us, and we enjoyed the whole party again.

We regretfully said "goodby" to two of our group, Judith Loerch and Joann Littles early in the first semester.

We must not forget to mention our bimonthly Birthday Parties which the club decided upon early in the fall. Every second month we have a party for all of our group who had birthdays within those two months. In October, we honored Joe Olsen, Janet Walker, and Carol Link. In December, Margery Knudson and Kay Holbrook shared the celebration. Our January, February birthdays were on January 30, 1953. Ronnie Olsen, Maxine Todd, and Larry Peterson were the recipients. We always had a decorated cake with the appropriate number of candles, and some popular drink. The group's favorite games and the singing of "Happy Birthday" were the highlights of the program.

Our next social affair came at Christmas time. The room was generously decorated with Santa Claus faces, reindeer, stockings hung up in rows, candy canes, and candles, and we had a small but very pretty Christmas tree.

We had had very little sickness up to that time, and we all left for the ten day holiday in good spirits. The fifth and sixth grade room was well represented in the Christmas Pageant, "The Christmas Miracle." Barbara Heap, Carol Link, Kay Holbrook, and Larry Peterson had leading roles.

Larry Peterson, Nancy Cowdrick and Kay Holbrook were on the Honor Roll in the fifth grade. Anita Santorineos, Barbara Heap, Mary Lundstrom, and Maxine Todd have shared the honors in the sixth grade.

Our class looked forward to the Valentine's Day party held on Friday, February 13. We also looked, with anticipation, towards springtime and the summer vacation.

Cast of Channel 4

SECOND ROW: Beryl Churchill, Lynda Connor, Joseph Coyne, Richard Dirst, Thomas Fleming, Warren Gallinger.
THIRD ROW: Wanda Good, Larry Hinchliffe, Bruce Knudson, Joyce Lundstrom, Evelyn Mikkelson, Betty Peterson.

REPORT OF CHANNEL 4

On September 3, 1952, our class of fifteen girls and eleven boys returned to Minooka Grade School to begin our fourth year of school. In October, Judy Evans moved to Minooka from Wilhelmi School south of Joliet.

We were sorry when Karen Skinner moved to Maple Park, Illinois, and Evelyn Mikkelson left our school in the spring.

In October, at the Boosters' Carnival we presented a play entitled "Ghosts!" Our room was filled to capacity for the play, and the results were good. For our Halloween Masquerade, Richard Dirst was awarded a prize for the most original costume of an ear of corn. Lynda Connor as the bride was the prettiest, and Joe Coyne was funniest as a Hillbilly. Mr. Dorick took colored movies of all of us in the parade and in our rooms. These were shown to us and to Music Boosters.

Before Christmas, our entire class cast a play, "The Cowboys' Christmas." We were the first grade school class to give a play on the stage of the new gym. We invited every class in grade school and their teachers, Mr. Siron and Mr. Kmetz.

"The Christmas Miracle" was the all-school play. The angels were selected from our grade. They were Carol Blair, Karen Skinner, Marjorie Avery, Lynda Connor, Sharon Winkler, and Beryl Churchill.

For the M-Di-An, we sold tickets for the turkey, goose, and duck. Carol Blair won the prize for grade four by selling $9 worth. Our class sold $63.50, which was highest for a grade school class.

The boys were happy to have Mr. Siron take them for gym each Monday for an entire period. At this time, Mrs. Shields or Mrs. Kintner instructed the girls of grades three and four in rhythms and square dances.

During Education Week our class room was visited by fifteen mothers and friends.

In speech class, Carla Shearer and Leon Steffes worked very hard.

We had an art contest for countries studied in geography. John Santorineos' group was the winner. They had chosen Belgian Congo for their country and drew some fine pictures.

Several of the class had birthday celebrations at school. Those who did were: Rosemary Breen, Beryl Churchill, Larry Hinchliffe, Evelyn Mikkelson, Bonnie Peterson, and Joe Coyne.

On January 20, 1953, we were divided into groups and went to thirteen different homes to see and hear the inauguration of President Dwight D. Eisenhower as the thirty-fourth president. This was the first time our nation could see the President take his oath of office on television.

During the year we enjoyed Halloween, Christmas, and Valentine parties. We were all happy to have our grade in the new building with lockers and the nice room.

Cast of Channel 3

FIRST ROW: James Attebery, James Breen, Dallas Butler, Francine Campbell, Richard Clark, Richard Coyne, Chandra Dorick.

SECOND ROW: Charity Dorre, Lawrence Dwyer, Keith Flatness, Russell Gross, Charlene Hancock, Walter Heap, Charlotte Hentze.

THIRD ROW: Anetta Kittleson, Linda Link, Jane Loerch, Kay Moore, Frederic Offerman, Richard Platt, Linda Sandstrom.

FOURTH ROW: James Shearer, Rex Siron, David Stafford, Marie Talkington, Janet Vaksdal, Dennis Whalen, Ronnie Williamson.

REPORT OF CHANNEL 3

Our class started last September with sixteen boys and twelve girls. In October, Jane Loerch moved to Chicago; but we were back to our original number a few weeks later when Larry Duffy joined our class. He moved to Minooka from Plainfield.

Our work this year was harder than it had ever been before, but we thought it was fun. We learned many new things. We learned to read silently, to multiply and divide. We were proud when, on a 50-word spelling test, all 28 of us made "A." Our teacher was proud, too. She treated us. For the first time, we wrote our own news stories for the *Peace Pipe Chatter*.

Our first big event of the year was Halloween Capers. Our room's contribution to it was a play called "Catching the One O'Clock Train" or "It May Be Cheaper by the Dozen But It's More Fun With Fifteen." There was a part for everyone in the class. We will never forget Kay Moore who played the part of Mrs. Hepple. Fifteen of us were her children. Chandra Dorick was the baby. She sat in a stroller and got many laughs with her crying and fits of temper.

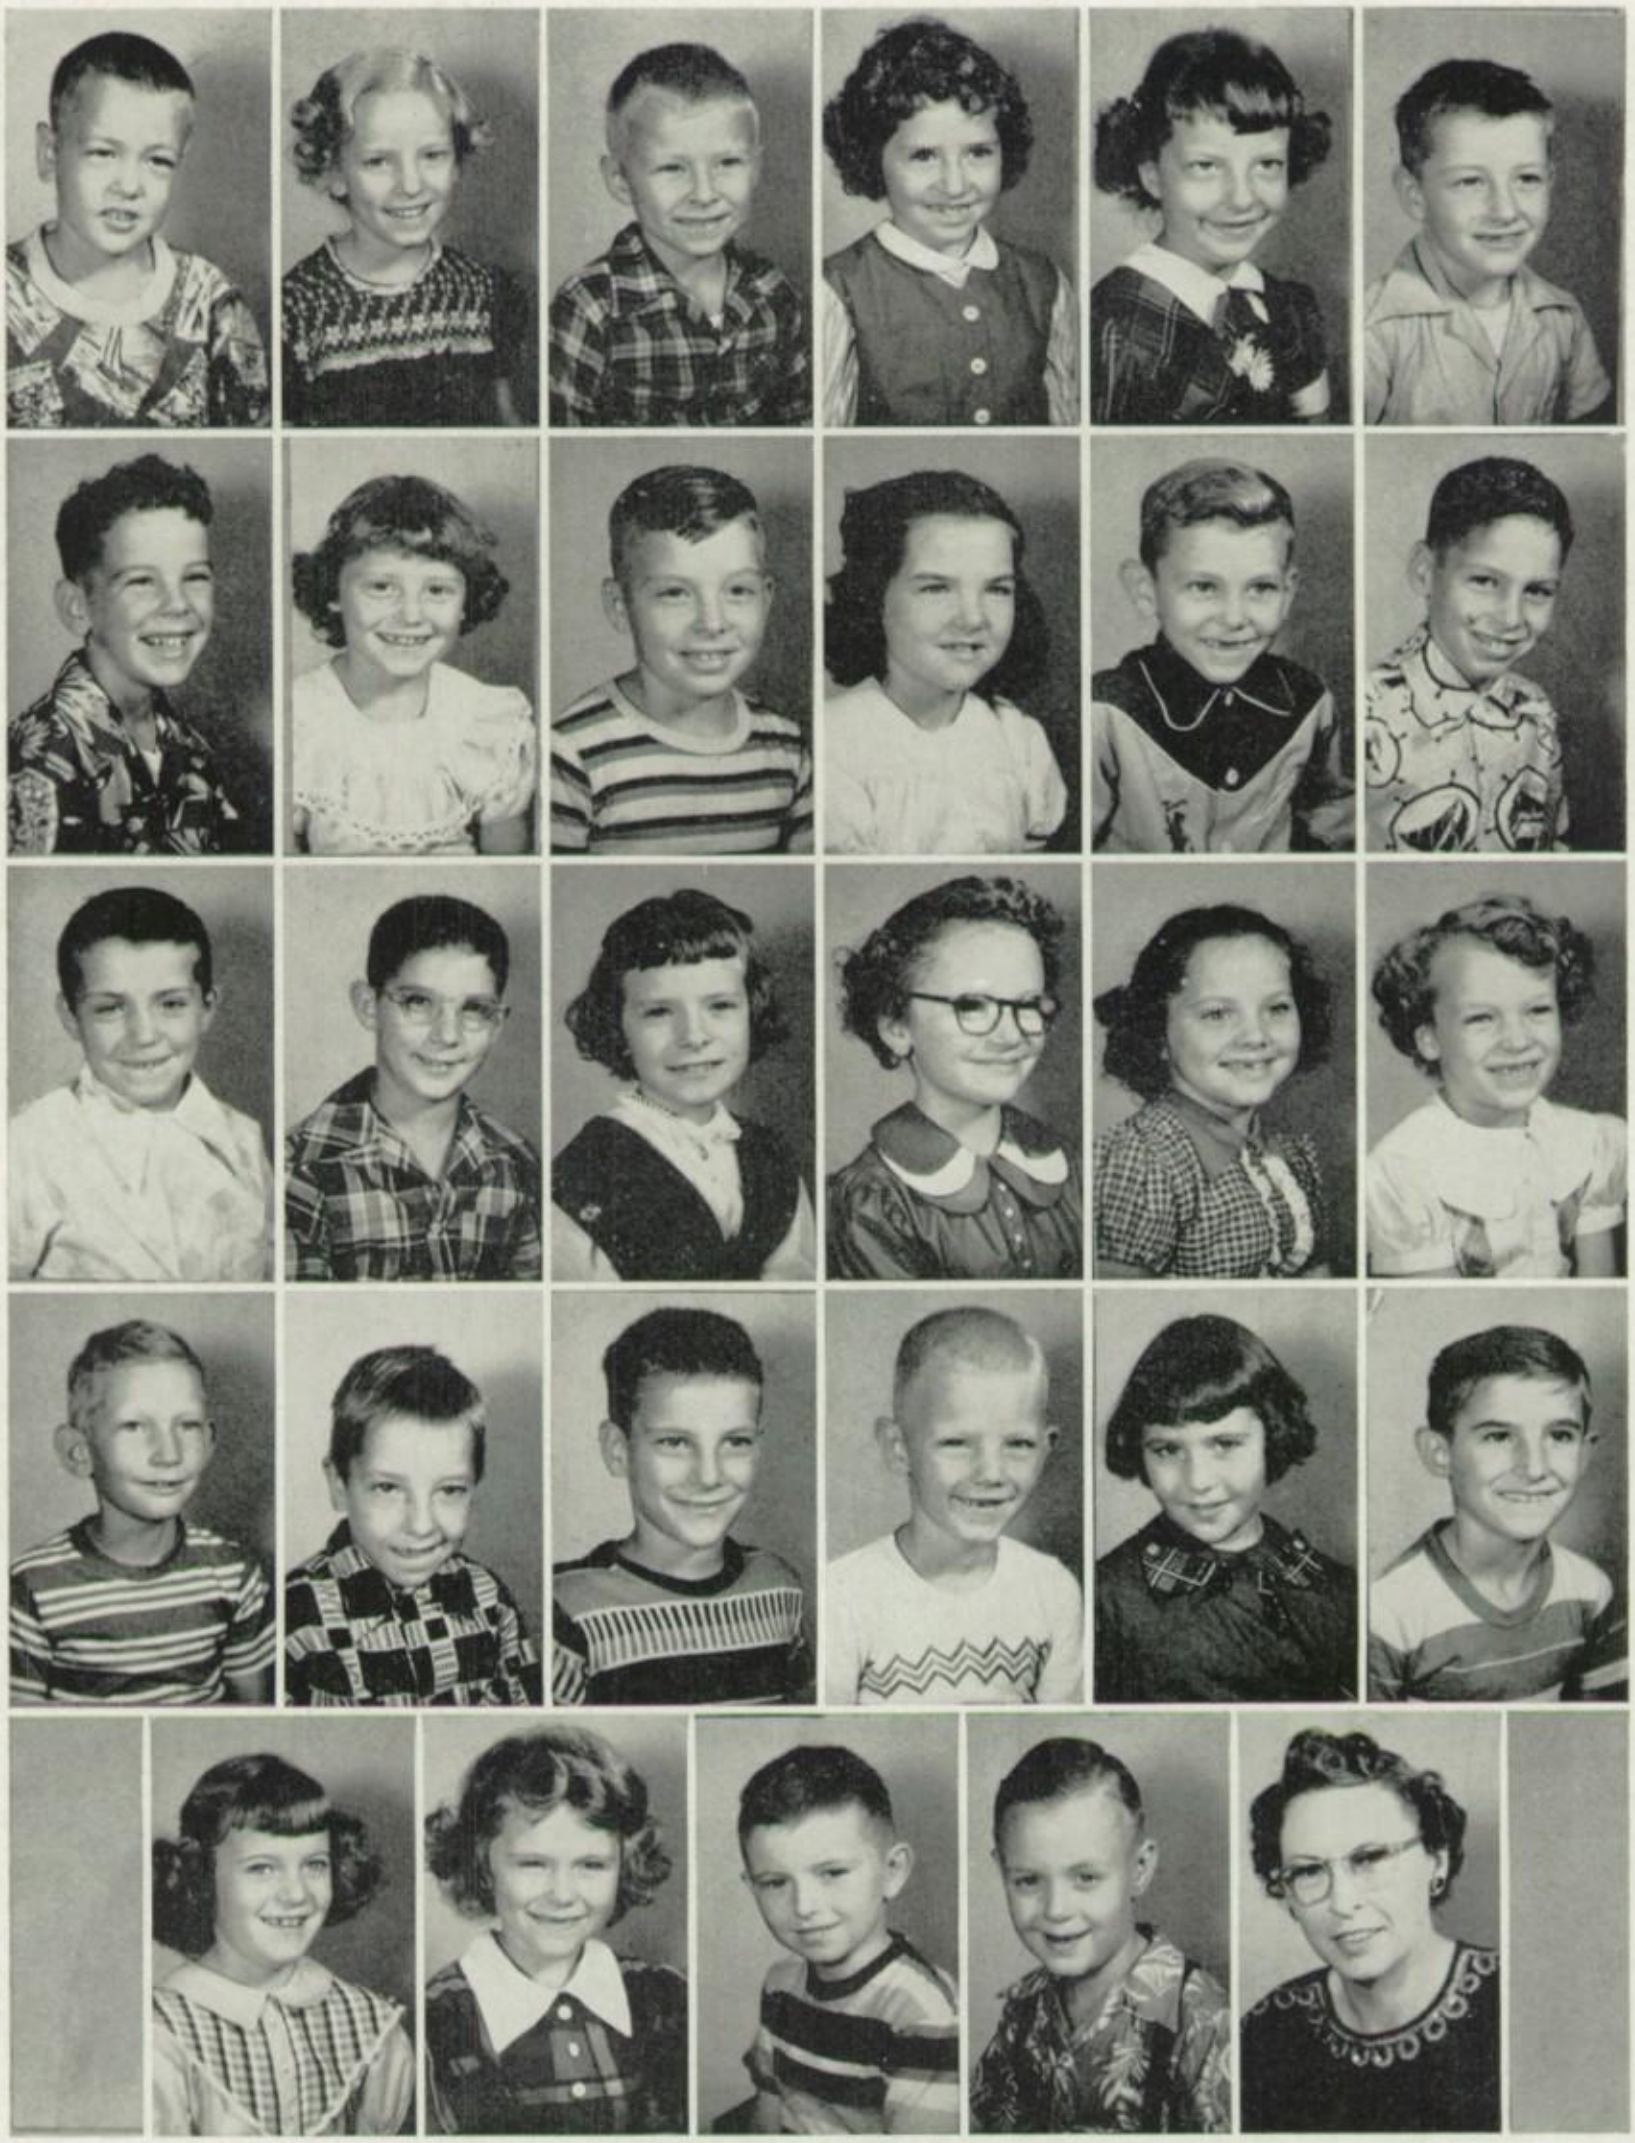
We have had other fun this year — party fun! We marched in the Halloween Parade and ended the day with a big party. Dennis Whalen, Anetta Kittleson, and Dick Coyne won prizes for their costumes. We had a wonderful Christmas Party — complete with our very own Christmas tree and the real Santa Claus! He wore his gym shoes so that he could try out our new gym!! A week before our Valentine Party we exchanged names for "Secret Pals." All week we did special things for our pals. Then we revealed our names on our valentines. We had other little parties and treats on birthdays, too.

Our year has been an exciting one. We will remember it for the election and inauguration of President Eisenhower. We were thrilled when Mr. Siron let us see it on television. We had an election, too. We elected Janet Vaksdal to represent us at Student Council. We chose well for she handled her job very nicely.

The boys had their first real gym class this year. Mr. Siron took them to the gym for 40 minutes each Monday morning. During that period the girls had music and games.

We helped with the Turkey Raffle to raise money for the yearbook. Kay Moore and Charlotte Hentze won prizes for selling the most chances in our room.

Now that the year is over, we are a little sad at leaving the primary grades where we've had such fun. But how eagerly we wait next fall. How grown-up we'll be then — touching elbows with high school people!



Cast of Channel 2

FIRST ROW: Edward Anderson, Beverly Beasley, Edward Beasley, Janet Blair, Nancy Blair, John Breen.

SECOND ROW: Gregory Connor, Barbara Costello, Donald Davidson, Kathleen Fleming, Wayne Greenbeck, Wesley Gross.

THIRD ROW: Steven Hadaway, James Holbrook, Janet Kemp, DeVonna Knudson, Diana Littlefair, Jacquelyn McCoy.

FOURTH ROW: Jon Murley, Wayne Pehlke, Nicholas Santorineos, Kenneth Skinner, Susan Stafford, Leroy Steffes.

FIFTH ROW: Kathleen Thompson, Jean Walker, Tommie Williamson, William Wilhelmi, Mrs. Talbot. (Absent when pictures were taken, Charles Scharf.)

REPORT OF CHANNEL 2

When school opened in September, we had twenty-nine boys and girls in our room. Kenneth Skinner left in March because his family moved to Maple Park.

With sixteen new books to complete it seemed we would be working every minute; but we soon found time to enjoy contests, movies, spelldowns, arithmetic games, and the many other things that make school life so much fun.

Each holiday was very interesting. At Halloween time Jacquelyn McCoy, Nancy Blair, Janet Kemp, and Kathleen Fleming won prizes for the most unusual costumes in the Halloween Parade.

We were more than anxious for Christmas to come. The day we were dismissed for vacation we had our Christmas Party. We drew names and everyone received a gift. Santa Claus came and passed out the gifts. For our Mother's present the girls made a "Gingham Cat" calendar, and the boys made "Calico Dog" calendars. On that day, also, we were invited to see "The Cowboys' Christmas," a play given by the fourth grade.

Diana Littlefair was elected to represent the second grade at all the Student Council meetings.

In January, we prepared a Puppet Show and invited the first, third, and fourth grades to our room. Miss Olson invited us to see the first grade Doll and Toy Show.

Then we started going to the gym every day. What fun we had! Many of the boys made baskets and practiced hard.

On Inauguration Day we watched the ceremonies over television.

Before we knew it, it was time to think of Valentine's Day. We decorated our room and made a pretty box. Everyone received many lovely valentines.

Soon the days grew longer, spring came, and it was time to think of vacation. We had finished our second year in school.

REPORT OF CHANNEL 1

School began with twenty little boys and twelve little girls ready and eager to explore this new world called "school." Many new and interesting things were to be learned. Before many weeks had passed, David Loerch and Floyd Littles moved to Chicago, and Junior Flatt moved to Channahon. Becky Hancock joined the class for a few weeks and later moved back to North Carolina.

Our holidays brought special fun for us. In October we had our Halloween masquerade and party. Gerry Peterson won the prize for the prettiest costume. She was dressed as an ice skater. Mike Likeness was the funniest clown, and Fred Dirst, dressed as a scarecrow, was the ugliest. We also gave a little program in our room for the all-school carnival. We sang, dramatized, and recited Nursery Rhymes for our audience.

December brought the happiest, as well as the most exciting time of the year. It was fun making Christmas gifts for our mothers. Santa Claus came to our Christmas Party and helped distribute the gifts for all of us. We also enjoyed seeing the fourth grade Christmas play. We were invited into the second grade room to sing and listen to Christmas songs on the record player.

We had our Doll and Toy Show in January. We invited the second, third, and fourth graders to see and hear about our new dolls and other Christmas toys.

In February, we looked forward to our Valentine party. We had a pretty Valentine box filled with many valentines for everyone.

Easter vacation came and went quickly; and before we knew it, we were enjoying lovely spring days and looking forward to our picnic day and summer vacation.

However, all was not play for us. We enjoyed our new reading books about Dick, Jane and Sally. We also read many other books and received a colored star on our Library Reading Chart for each book read.

We learned to count and write numbers, and also, how to add and to subtract small numbers.

We liked our new science book, too. We read about the adventures of Judy and Joe.

Our art classes were fun. We colored, painted, did free hand drawing, and cut and pasted pictures in poster work. We made many pretty pictures for our room.

We also had lots of fun playing in the new gym during our forenoon play periods.

JUNIOR ENGINEERS

The Grade School Student Council is an organization in the school which helps pupils with their problems and works to promote better understanding and co-operation between teachers and pupils. A teacher acts as adviser, but the meetings are conducted by the president and problems are discussed by the members who represent all the grades.

Each of the grades elected a representative. After the first meeting this year, ballots were distributed and the entire student body voted for the Council officers.

Our members this year were: Joan Knudson, eighth, president; Lois Severson, seventh, vice-president; Margery Knudson, sixth, secretary; Nancy Cowdrick, fifth; Lynda Connor, fourth; Janet Vaksdal, third; Diana Littlefair, second; Donnie Williamson, first; Mrs. Kintner, adviser.

The Council met every other Monday during the year. Some of the problems we discussed were rules for courtesy and safety on the playground, cleanliness in and around the school, spare time duties, and noon-hour activities for upper grade girls.

STUDIO PROTECTORS

Almost immediately after the school year began, a number of boys representing grades seven and eight were selected to serve as Patrol Boys.

At one of the early meetings, the various duties were outlined to these boys. Rules such as, conduct on buses, aiding in loading of buses, crossing streets, and conduct within the boundaries of the school, were discussed.

The Patrol Boys for the past year, under the leadership of Captain John Stegman, (whom the boys elected unanimously) were: Michael Bedford, Charles Brown, Donald McHugh, Donald Murley, Thomas Murley, Lenard Olson, Richard Pehlke, Leonard Peterson, William Stafford, and James Winkler.

The students and faculty extend to you boys a vote of thanks for a job well done.

SITTING: Beryl Churchill, Sharon Winkler, Edith Turner, Barbara Heap, Katherine Holbrook.

STANDING: Joseph Coyne, Joyce Greenbeck, Jacqueline Hancock, Margaret Vaksdal, Mary Lundstrom, Sharon Avery, Larry Hinchliffe.

GANG GUIDES

Early in the school year the pupils of grades seven and eight held an election to determine who the officers might be to guide the Citizenship Club. The fortunate foursome who emerged as victors were Edith Turner, president; Margaret Vaksdal, vice-president; Jacqueline Hancock, secretary; and Joyce Greenbeck, treasurer.

The purpose of the Citizenship Club was to instill the spirit of co-operation into all school functions. It was designed to get the pupils to work together in achieving the goals they had set up.

Four parties were held under the sponsorship of the Citizenship Club. They were Halloween, Christmas, Valentine, and school closing. Various pupils were selected to bring refreshments for these parties.

Meetings of the Citizenship Club took place every other Friday. After the close of each meeting the more talented pupils were asked to give forth with some form of entertainment.

The dues of the club were five cents per meeting. Funds realized from these dues were used in defraying some of the expense of the party refreshments.

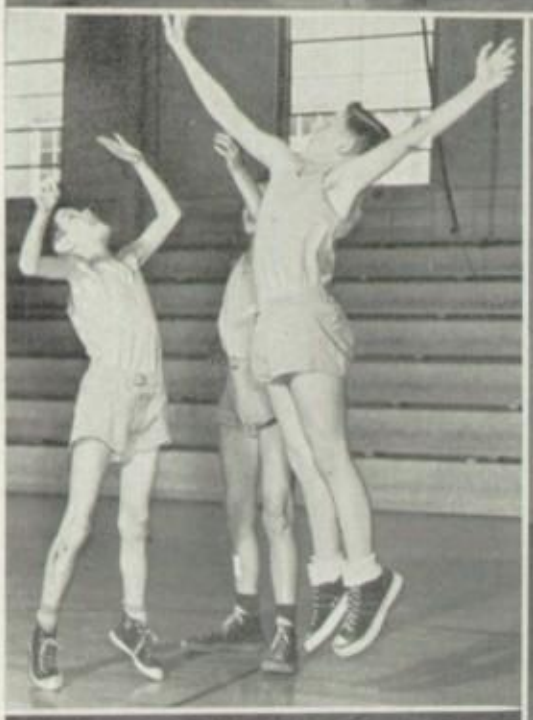
The Citizenship Club of grades five and six was re-organized the first week in September. The purpose of the club was to promote better citizenship in the school and in the particular grades. This meant more self-control, more thoughtfulness and kindness to classmates, friends, and teacher, more cleanliness, orderliness, and assuming some responsibility toward the lower grades, as well as personal responsibility toward the conduct of the room.

The clubs sponsored the Monthly Birthday Parties, the special Farewell Parties to members leaving school, and the writing of "Thank You" and "Get Well" notes.

Meetings were held every two weeks with special meetings called when deemed necessary. The dues were five cents per meeting with the privilege of assessing special dues when thought needed.

The Young Americans Club of grade four was organized in September. This club gave the pupils an opportunity to learn rules of conducting a meeting and the duties of the various officers. The club sponsored parties for all holidays, appointed committees, helped with keeping the room neat, and also helped in the second grade room.

The officers were: Sharon Winkler, president; Beryl Churchill and Carol Blair (second semester), vice-president; Joseph Coyne and Beryl Churchill (second semester), secretary; Larry Hinchliffe and Marjorie Avery (second semester), treasurer; Lynda Connor, Student Council. Meetings were held every other week followed by a program by the members. Dues were twenty-five cents a year. Wax paper coupons were saved to earn extra money.



FIRST ROW: Edward Gannon, Donald McHugh, Larry Todd, Richard Feeney, James Hadaway, Larry Peterson, Ernest Pehlke.
SECOND ROW: Edwin Feeney, Alden Erickson, Charles Brown, Tom Murley, John Stegman, Leonard Peterson, Tom Parris.
THIRD ROW: James Winkler, Michael Bedford, Mr. Stiglich, coach, Kenneth Butler, Andrew Anderson.

GRADE SCHOOL BASKETBALL

The light and heavyweight teams this year were comprised of members of the upper four grades. Stress was placed particularly on such fundamental skills as dribbling, shooting, passing, and guarding.

The teams enjoyed a very successful season. The heavyweight record stood at 15 wins and three losses while the lightweights were undefeated, garnering 16 victories.

This year as in the past, the teams were entered in the Des Plaines Valley Conference which was composed of seven teams. The heavyweights were co-titlists with Braidwood, both teams having a 11-1 record. The lightweights were outright champions in league play with a 12-0 tally.

Trophies were awarded to both the heavyweight and lightweight teams for their splendid accomplishments throughout the season.

In tournament play, the lightweights added laurels by capturing first place in the Channahon tourney. The heavyweights won third place in the Minooka tournament which brought together several formidable squads from this area.
